

A Silk Under Skirt Sale

Forty of Them at \$3.98.

It isn't necessary to go into details to explain why conditions make such an offering possible. Sufficient that this stirring news refers to an opportunity that is yours for SATURDAY, a chance the equal of which may not come again in a long time.

They are of a beautiful quality black taffeta silk, very wide through the hips and the body of the skirt; have an eleven inch flounce, tucked hemstitched and trimmed with bias bands, all over an eleven inch dust ruffle. The Skirt is elegantly made—all French seams. That we had the courage to buy forty of them all the same style, shows you the confidence we have in them.

At the price we are putting them in at they can be purchased only Saturday. We cannot accept mail or telephone orders on them; one to a customer is the limit. We want our customers to have the benefit of these values, so take a precaution against retailers buying them to sell again.
